

The copy filmed here has been reproduced thanks to the generosity of:

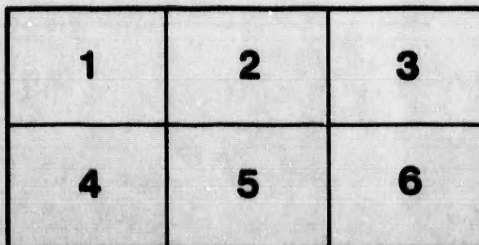

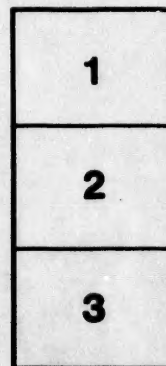

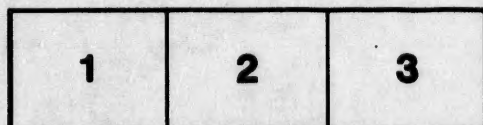

Library of the Public
Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol ➡ (meaning "CONTINUED"), or the symbol ▼ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

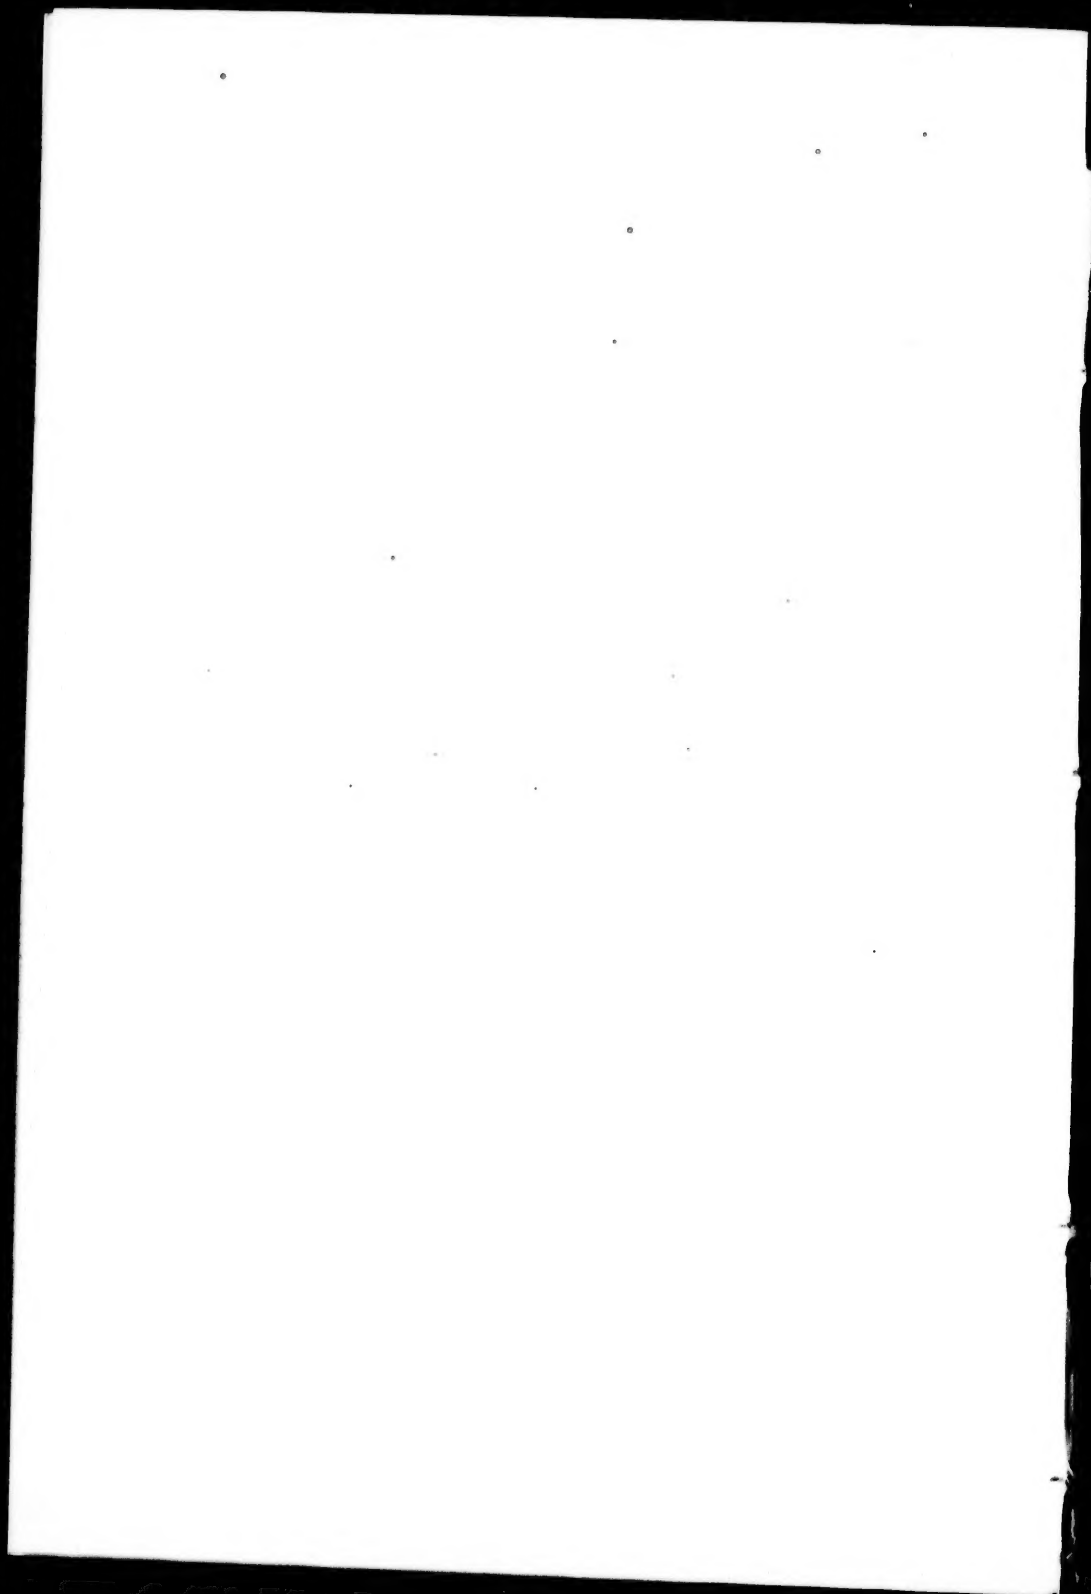

La bibliothèque des Archives
publiques du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole ➡ signifie "A SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

CERTIFICATES.

After having suffered enormously during a whole month from a very obstinate Rheumatism, which compelled me to stay in bed for nearly a whole week without being able to move, despite all the efforts of one of the leading physicians of this city, a friend gave me a bottle of "Dr. Birnbaum's Rheumatism and Gout Remedy." Having applied this remedy only twice, I felt at once such a relief, that it was possible for me to get up immediately, and three days after I found myself entirely recovered.

P. BOURDEAU,

Of the Firm BOURDEAU & BARBEAU.

MONTREAL, October 7th, 1871.

MONTREAL, Oct. 2nd, 1871.

My sister having had a severe attack of Rheumatism, I procured "Dr. Birnbaum's Rheumatism and Gout Remedy," which a friend, in whom I had confidence, recommended me; and I must say, that I cannot speak too highly of its wonderful effects, as the pain ceased after a few applications, and the swelling disappeared within a few days.

Letters for the United Kingdom must be prepaid, or they will be charged a fine of 3d. sterling in addition to the deficient postage on delivery in England.

The following table exhibits the rates to most of the principal countries in postal communication with Canada. :—

†Letters for Bermuda are sent via Halifax, N.S.

‡To be addressed via San Francisco.

N.B.—With the exception of those marked with an asterisk, all are to be sent by *Canadian Line* only; for *Cunard Line*, add to the above rates 2 cents for each rate for letters.

The British Post Office forwards letters to Canada by the first packet sailing after the letter is posted, unless the letters bear a special direction,—"By Canadian Packet," or "By British Packet," and in that case they are kept over for the packet designated. "By Canadian Mail," is not a distinctive superscription; for any mail for Canada is a "Canadian Mail," by whatever packet forwarded.

Letters for British Colonies and Possessions, beyond sea, and for Foreign Countries, *via* England, must be prepaid.

The rate on letters for the United States, 6 cents if prepaid, 10 cents if unpaid.

Registration Charges.—For registration of a letter addressed to any place in British North America, the charge is 2 cents.

For the registration of a letter to the United Kingdom, 8 cts.

For the registration of a letter to the United States, 5 cts.

France, and other countries for which letters pass through France, special rates according to weight.

No letter can be forwarded as registered, unless postage and registration fee are both prepaid.

Miscellaneous Charges.—The charge on parcels, by Parcel post, to any place in Canada, is 12½ cents per half-pound, (with 5 cents additional, if registered.) No parcel must exceed four pounds in weight.

One cent per ounce, payable in advance by postage stamp, is the rate on printed circulars, prices current, hand-bills, and other printed matter of a like character; and on books bound or unbound, when posted at a Canadian Post Office, addressed to any place in Canada, British North America generally, or the United States.

The charges upon prices-current, when addressed to the United Kingdom, is 2 cents each, and must be prepaid by postage stamp.

Correspondence for British Columbia and Manitoba is sent in closed mails, *via* the *United States*, at the same rates of postage as to other parts of the Dominion.

Postage Rates on certain Miscellaneous Matter passing within the Dominion of Canada, or to and from the United States:—

1.—Packages of seeds, cuttings, bulbs, roots, and scions, or grafts and botanical specimens, may be posted in Canada for delivery within the Dominion, or to an address within the United States, on prepayment by postage stamp of a rate of one cent per ounce; and when received from the United States, addressed to any place in Canada, such packages may be delivered on payment, by the person addressed, of a like rate.

2.—The limit of weight for such packages will be one pound. No letter or communication intended to serve the purpose of a letter must be enclosed in them; and they must be so put up as

to be easy of examination, for the purpose of verifying the alleged contents. If put up in bags, the bags must be simply tied at the neck, so as to admit of inspection; and, in the case of such packages mailed in Canada, the nature of the contents, such as "*Seeds*," "*Roots*," &c., as the case may be, must be marked on the package by the sender, as a statement of the claim to pass at the reduced rate above mentioned.

3.—Book and newspaper manuscript, and printers' proof-sheets, (whether corrected or not,) maps, prints, drawings, engravings, photographs (when not on glass or in cases containing glass,) and sheet music (whether printed or written,) to any address in Canada or the United States, may pass in covers open at the ends or sides, and provided that no letter or other communication intended to serve the purpose of a letter, be enclosed therein, on pre-payment, when posted in Canada, by postage stamp of the ordinary printed-matter rate of one cent per ounce; or upon payment of that rate on delivery on such matter when received in the mails from the United States.

Transmission of Patterns of Merchandise and Samples between Canada and the United Kingdom, and certain other countries:—

4.—Patterns of merchandise and samples may be forwarded between Canada and the United Kingdom and Denmark, France, Italy, Belgium, the German States, Netherlands, Portugal and Switzerland, by the Canadian packet mails, at book-post rates, and subject to the following conditions:

A—The patterns or samples must not be of any intrinsic value; and this rule excludes all articles of a saleable nature, and whatever may have a value of its own, apart from its mere use as a pattern; nor must the quantity of any material or article, sent as a pattern or sample, be so great that it could have on this ground an intrinsic value.

On this point an explanation in a subsequent Departmental Order, it appears as follows:

B—It has hitherto formed part of the Imperial Post Office regulations that "*samples or patterns must not be of intrinsic value*," but in consequence of the difficulty that has been experienced in determining what is, and what is not, a pattern or sample of merchandise of intrinsic value, this prohibition has been removed.

The modification is a verbal one, and will not alter or enlarge in any way, the character of the transmissions permitted to pass by pattern post.

The special prohibition as to intrinsic value, has, it is understood, been withdrawn, not because the question of value will not still influence a decision as to whether an article offered for transmission by pattern post is a genuine commercial sample (or pattern) or not, but because as a general proviso it could not well be enforced; inasmuch as every article, whether properly a pattern or sample or not, has necessarily more or less of an intrinsic value, and might be held to be amenable to a strict construction of this prohibitory clause in the regulation.

C—The patterns, &c., must be sent in covers open at the ends,

so as to be easy of examination. Samples, however, of seeds, drugs, and such like, which cannot be sent in open covers, may be enclosed in bags of linen or other material, simply tied at the neck, or, provided that bags be transparent, they may be entirely closed, if they are for delivery within the United Kingdom. Bags, however, entirely closed, even though they be transparent, must not be used for the transmission of seeds to foreign parts.

D.—The rule which prohibited the transmission through the post, as patterns of articles of cutlery, &c., has been rescinded; and scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such like articles, are now allowed to be forwarded by the post as samples, provided they be packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags, and to the persons of the officers of the post office. Such articles, however, must be so packed that they may be easily examined; and it is made a rule that any packets containing such articles, which may be found to be insufficiently guarded, shall not be forwarded through the post.

No packet of patterns or samples, posted for delivery within the Dominion, must exceed 24 oz. in weight.

A packet of pattern or samples sent to France or Portugal, must not exceed 18 inches in length and 12 inches in width or depth; a packet to any other place abroad must not exceed 24 inches in length, or 12 inches in breadth or depth.

The limits of weight are as follows:

Canada	24 oz.	Belgium	8 oz.
Great Britain	24 "	Netherlands	16 "
France	36 "	Portugal	16 "
Germany	8 "	Denmark	48 "
Italy	36 "	Switzerland	48 "

None of the articles named in the rule D may be sent as patterns or samples to any place abroad, except Germany, Belgium, and the British Colonies, and not to these places when addressed "*via France*."

There must be no writing or printing other than the address of the person for whom the packet is intended, the manufacturer's or trade mark and number, and the prices of the article.

Any infringements of the above regulations will render the packet liable to be treated and charged as a letter.

The rule which forbids the transmission through the Post of any article likely to injure the contents of the mail-bags will apply to patterns and samples; any package transgressing this rule is to be sent to the Postmaster General.

Transmission of Patterns and Samples within the Province of Canada:—

Patterns or samples of merchandise and goods for sale may be posted in Canada to be forwarded to any place within the Province, on pre-payment by postage stamp of a rate of one cent per ounce, under the following regulations:

I.—Patterns or samples must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, and so forth, which cannot be sent in open covers,

may be enclosed in bags of linen or other material, fastened in such a manner that they may be readily opened—or in bags entirely closed, provided that they be transparent, so that the officers of the Post Office may be able to satisfy themselves as to the nature of the contents.

II.—The packet may bear on the *outside* the address of the sender in addition to the address of the person for whom it may be intended—also a trade mark and numbers, and the price of the articles enclosed; *inside* there must be no enclosure but the samples or patterns themselves—the particulars, however, of the trade marks, numbers and price, may be marked on the articles themselves instead of on the outside of the packet at the option of the sender.

III.—Any sample or pattern packet containing a letter, or otherwise violating the conditions of the preceding rules, is to be rated and treated as a letter.

IV.—The rate of 1 cent per ounce is to be prepaid by Postage Stamp,—and if such rate be not fully prepaid by the stamps affixed, the package is to be rated with the deficient postage and a fine of five cents in addition.

V.—Packets of samples and patterns may be registered on prepayment by postage stamp of a registration fee of 5 cents in addition to the postage rate—and provided such packets be duly handed in the Post Office for registration.

A registration receipt or certificate should always be given for such packages when presented for registration.

VI.—No packet of samples or patterns must exceed 24 ounces in weight; any packet exceeding that weight is to be sent to the Postmaster-General.

Book Post.—Books, bound or unbound, posted in Canada, and addressed to any office in the Dominion, British America, and the United States, are chargeable with the rate of one cent per ounce, which must be prepaid by postage stamps.

Book packets are forwarded by post from Canada to the United Kingdom and *vice versa*, by Canadian steamer, at the following rates:—For each packet—

Not more than 1 oz.	2 cents.
Exceeding 1 oz., and not exceeding 2 oz. . . .	4 "
" 2 oz., " 4 oz.	6 "
" 4 oz., " 1 lb.	8 "
" 1 lb., " 12 oz.	18 "
" 12 oz., " 1 lb.	24 "
" 1 lb., " 1½ lb.	30 "

And so on, the scale progressing throughout by a single rate for every four ounces.

And by Cunard packet:—

Not more than 1 oz.	4 cents.
Exceeding 1 oz., and not exceeding 2 oz.	6 "
" 2 oz., " 4 oz.	8 "
" 4 oz., " 8 oz.	16 "
" 8 oz., " 12 oz.	24 "
" 12 oz., " 1 lb.	32 "

And so on, adding one rate for every four ounces.

5.—No prints or printed matter will be allowed to pass by book post between the United Kingdom and Canada, unless printed on paper, parchment, or vellum.

Book packets addressed to the United Kingdom can be registered on payment of the ordinary registration fee (8 cents) in addition to the postage.

Book Post with France.—For a packet of printed matter, or single newspaper, book, &c., not over 2 ounces..... 4 cents.

Ditto, exceeding 2 ounces, and not over 4 ounces.... 8 "

Ditto, " 4 ounces, do. 8 ounces.... 16 "

Ditto, " 8 ounces, do. 16 ounces.... 32 "

And so on, increasing 16 cents for every additional half-pound.

The Book-post Regulations between Canada and England apply to matters between Canada and France.

Newspapers and Periodicals.—Newspapers published in Canada may be sent by post from the office of publication, addressed to any place in Canada, at the following rates, if paid quarterly in advance, by either the publisher at the post office where the papers are posted, or by the subscriber at delivering post office:—

For a paper published 6 times a week..... 30 cents per quarter.

Do. do. 3 times a week..... 15 " "

Do. do. 2 times a week..... 10 " "

Do. do. 1 time a week.... 5 " "

When the above rates are not paid in advance, by either publisher or subscribers, such papers are charged one cent each on delivery.

Transient Newspapers.—Transient newspapers, that is to say, Canadian Newspapers, posted otherwise than from the office of publication, and American or British papers posted or re-posted in Canada, must be prepaid two cents each, by postage stamps, or they cannot be forwarded; except only *British newspapers* distributed to regular subscribers by Canadian booksellers and news-agents, such papers pass free, as they would do if received in the Canadian Packet Mail.

Newspapers by Mail from England or United States.—Newspapers received from England by the Canadian Packet Mails are delivered free.

Newspapers from England by the Cunard Packet are charged 2 cents each on delivery. (This is the American transit charge.)

United States newspapers, to regular subscribers, are charged 1 cent each on delivery. Transient papers are 2 cents each.

Periodicals passing by Mail in Canada:—

The rate on all periodicals, other than newspapers, passing by mail in Canada, save such as may be addressed to or received from the United Kingdom, will henceforth be one cent per four ounce weight of package containing periodical matter, whether the package contain one or more numbers.

Any fraction of 4 ounces to be charged as a full rate.

Periodicals weighing less than one ounce per number, posted in Canada for any place within the Dominion, when sent *singly*, pass for *one-half cent* per number, if prepaid by stamp.

The above rate will be payable on delivery on all periodical matter received from the United States, except that Canadian editors may receive exchange periodicals from the United States free of Canadian postage.

Canadian Periodicals, posted for United Kingdom, by Canadian Packets.—Periodicals, printed and published in Canada, may be posted, addressed to any place in the United Kingdom by Canadian Packet, on pre-payment by postage stamp of 2 cents each number.

This rate will be applicable to all classes of Canadian periodicals posted as above for the United Kingdom. No package of Periodicals can be sent through the post if it exceed four pounds in weight.

Post Cards value one cent each, and Postage Stamps.—Postage Stamps of the respective value of $\frac{1}{2}$ cent for small periodicals; 1 cent for newspapers; 2 cents for prices current for the United Kingdom; 3 cents for ordinary Provincial letters; 6 cents for United States rate; 6 cents for Canadian Packet; and 8 cents for Cunard Packet,—are provided for sale to the public.

Penal Clause.—The Act contains the following penal clause; To enclose a letter or letters, or any writing intending to serve the purpose of a letter, in a parcel posted for the parcel post, or to enclose a letter, or any writing, or make any written marks to serve the purpose of a letter, or to enclose any other thing in a newspaper, posted to pass as a newspaper, at the rate of postage applicable to newspapers (except in the case of accounts and receipts of newspaper publishers, which are permitted to pass folded within the newspapers sent by them to their subscribers,) is an offence punishable by a penalty of not less than ten and not exceeding forty dollars.

Money Orders on Canada.—All the Money-Order Post Offices in Ontario, Quebec and New Brunswick, are authorized to draw Money-Orders on each other for any sum up to \$100, and for as many Orders of \$100 each as the applicant may require, upon the following terms, viz.:—

POST OFFICE SAVINGS BANK.

The Post Office Savings Banks commenced operations in Ontario and Quebec on the 1st April, 1868.

2. The direct security of the Dominion is given by the Statute for all deposits made.

3. At each Savings Bank Post Office, the Savings Bank regulations may be read by the public, giving full information with respect to the mode of depositing and withdrawing money, and these regulations are printed on the cover of the Pass Book supplied to each depositor.

4. Any person may have a deposit account, and deposits are received daily during the ordinary hours of Post Office business, of any number of dollars, from \$1 up to \$300, the total amount which can be received from a depositor in any one year, except in cases to be specially authorised by the Postmaster-General.

5. The Postmasters of the Savings Bank Offices will act as agents for the receipt of the money deposited for transmission to the Postmaster-General, and for the payment by the Postmaster-General of money withdrawn by depositors.

6. Each depositor is supplied with a Pass Book, and the sums paid in or withdrawn are entered therein by the Postmaster receiving or paying the same. In addition, a direct receipt for each amount paid in is sent to the depositor from the Postmaster-General, and the Postmaster General will issue a cheque, payable at any Post Office Savings Bank desired, for any sum withdrawn.

7. Every depositor's account is thus kept with the Postmaster-General, and a depositor may pay into his or her account with the Post Office Savings Bank, at any of the Savings Bank Post Offices which at the time may best suit his convenience, and exercise the same choice in drawing out money, subject only to the obligation of producing the Pass Book, in proof of identity, whenever paying in or drawing out money.

8. Interest at the rate of 4 per cent. per annum is allowed on deposits lying in the ordinary deposit accounts, but when a

depositor has \$100 deposited, he or she may request the Postmaster-General to transfer this sum to a special account, and will then receive a Certificate of such special \$100 deposit, bearing interest at 5 per cent. per annum.

9. Postmasters are forbidden by law to disclose the name of any depositor, or the amount of any sum deposited or withdrawn.

10. No charge will be made to depositors on paying in, or drawing out money, nor for postage on communications with the Postmaster-General in relation thereto.

11. The Postmaster-General will be always ready to receive and attend to all applications, complaints, or other communications addressed to him by depositors or others, relative to Post Office Savings Bank matters.

12. Additional Post Offices will, from time to time, be authorized to act as Savings Bank agencies.

MILITIA DEPARTMENT,

PROVINCE OF QUEBEC.

The three Military Districts into which the Province of Quebec is divided are sub-divided into Seventy Regimental Divisions, comprised within Eight Brigade Divisions.

The boundaries of such Regimental Divisions are identical with the Electoral Divisions into which the Province of Quebec is divided, with the following exceptions, viz: Montreal Centre forms two Regimental Divisions, known as First and Second Montreal Centre; the First Division comprising the East Ward, and the Second Division comprising the Centre and West Wards.

Chateauguay forms two Regimental Divisions known as 1st and 2nd Chateauguay.

The First Division comprises the parishes of St. Philomène, Chateauguay, St. Martine and St. Urbain, and

The Second Division comprises the portion of the County not included in the First Division.

The Counties of Richmond, Wolfe, Drummond, Arthabaska, Chicoutimi and Sanguenay, each forms a Regimental Division.

The Brigade Divisions are numbered from West to East, from One to Eight, and embrace the following Regimental Divisions, for each respectively.

MILITARY DISTRICT, No. 5.

Our object and that of our **THIRTY-FIVE** Branch and Associate Offices, in the large cities of the United States of America, Dominion of Canada, and in London, England, is to give information to Subscribers, of the standing of those who purchase Goods on time or otherwise require **CREDIT**.

REFERENCE BOOK containing names and ratings of 40,000 Traders in all parts of the Dominion, including Manitoba and British Columbia, published semi-annually. Weekly sheets of corrections furnished to Subscribers.

We are supported by fully **Three-Fourths** of the Merchants, Bankers, Manufacturers, of every community where our advantages are known.

"This Institution, established in the City of New York some thirty years ago, for the promotion and protection of trade, was the first organized effort ever made to relieve the Merchants and Manufacturers of the Union from the insecurity of credit operations, and to substitute for the tardy, expensive, and unsatisfactory results of individual investigation, a *system* that should be alike prompt, economical, and reliable—whose purpose it should be to supply (to subscribers only) all necessary information as to the standing and responsibility of Merchants, Traders, Manufacturers, Public Companies, &c. throughout the United States, their Territories and British North America.—*N. Y. Tribune*.

Collection of past due Debts particularly attended to for all, whether Subscribers to the Agency or otherwise.

Terms of Subscription will be made known at the Office, where we shall be much pleased to afford information as to the system pursued, and to give (free of expense) to those who contemplate joining the Institution a reasonable *test* of the correctness of our reports.
